

Want to make a donation to SCAPA FOAS?!

Friends of the Arts School (FOAS) is a non-profit corporation that strives to provide a superior education for Fayette County's School for Creative and Performing Arts (SCAPA) students by generating funds, providing volunteer services, and cultivating community awareness for SCAPA and its efforts to nourish creativity, promote academic proficiency, and encourage a respect for and appreciation of human diversity.

The SCAPA program encompasses nine artistic areas including: Ballet, Band, Contemporary Dance, Literary Arts, Drama, Piano, Strings, Visual Art, & Voice. Examples of FOAS support of the art and academic areas include:

- providing items such as costumes, sets, script rights, programs, and props for performances
- providing funding to support productions held at Opera House and the Downtown Arts Center
- purchasing instruments or repairs
- financing for families with hardships
- assisting in the acquisition of a baby grand piano
- acquiring laptops for our elementary school children

"Cut backs" in our school systems, local economies, and family budgets have resulted in greater needs for our school. We know that you have many demands on your time and financial resources. Please join us in ensuring that our students get the best educational opportunities and experiences available. Contributions can always be made via cash or check (payable to SCAPA FOAS). You may designate where your funding goes (for example, a specific arts area or FOAS initiative). Our FOAS officers are always happy to collect donations or you can mail them to:

With warmest regards,
